

What a waste!

Children will learn the difference between **litter** and **waste**, take part in a "Rubbish Quiz" and, by investigating the **buoyancy** and properties of waste materials, have the opportunity to develop an understanding of the **impact** that it can have on the marine **environment**.

Children will learn about '**reduce, reuse and recycle**' through a song and sorting activity.

Experiences and Outcomes

TECHNOLOGIES

Throughout all my learning, I take appropriate actions to ensure conservation of materials and resources, considering the impact of my actions on the environment. TCH 1-02a

SOCIAL STUDIES (People place & the environment)

I can consider ways of looking after my school or community and can encourage others to care for the environment. SOC 1-08a

LITERACY

When listening and talking with others for different purposes, I can exchange information, experiences, explanations, ideas and opinions and clarify points by asking questions or by asking others to say more. LIT 1-09a

I can communicate clearly when engaging with others within and beyond my place of learning, using selected resources as required. LIT 1-10a

HEALTH & WELLBEING

Representing my class, school and or wider community encourages my self worth and confidence and allows me to contribute to and participate in society. HWB 1-12a

I know and can demonstrate how to travel safely. HWB 1-18a
