

Wildlife Club Spring Term 2023

Please choose one group to be part of for the term, Gannets or Puffins.

Once you have selected your group, please complete the application form and email this to education@seabird.org. Please do not attend a session without having received email confirmation and if you haven't heard from us, please give us a call on 01620 890202.

All sessions will run from 2-4pm with mixed ages, ranging from P1-P7. The maximum capacity is up to 16 children with 2 assisting adults, session dependent. For more details, please see the Parent's Information document.

Date	Location	Group	Activity	Description
13/01	Learning Hub	Puffins	Intro and Rockpools	We'll get to know the new group, introducing ourselves to each other. Then, we'll head onto the rockpools and looking for exciting creatures
20/01	Learning Hub	Gannets	Intro and Seashore Explore	We'll get to know the new group, introducing ourselves to each other. Then, we'll head onto the beach look for exciting treasure, make some beautiful beach art and sculptures to take home.
27/01	Learning Hub	Puffins	Ocean currents and waves	Today we'll chat about what makes the oceans move, exploring currents and waves. As well as the biggest types of waves - Tsunamis
03/02	Learning Hub	Gannets	Oceans currents and waves	Today we'll chat about what makes the oceans move, exploring currents and waves. As well as the biggest types of waves - Tsunamis
10/02	Learning Hub	Puffins	100 Species	We have the exciting opportunity to get involved with the 100 Species project. We'll flex our artistic skills by creating models of some of the fun species that live in the forth.

*** February Break – please see our website for details about our Holiday Clubs ***
